

Netami Patch Sale

There will be a sale on Netami Chapter items at the December and January meetings.

The X-3 (bird on blue background) patch will be on sale for \$2 (down from \$3), limit 5 per meeting. This is our trader patch and there is no requirements to purchase other than being a chapter member.

Netami X-3

The X-4 (night bird) patch will be on sale for \$3 (down from \$5), limit one per meeting. This is an earned patch. Earning is easy, just provide cheerful service by helping out at a meeting or event. This is as simple as helping to clean up, getting the pizza, or generally being useful. If you think you have earned it then you probably have.

Netami X-4

The W-1 is not for sale. It is an award for cheerful service to the chapter. It is earned by helping the chapter meet its obligation at camporee, helping with a chapter service project, or maybe just for showing up to help at the right time.

Netami W-1

Netami Patch Sale

Don't forget to earn your Netami Neckerchiefs.

N-2 and N-3 neckerchiefs are \$15.

The Netami N-2 (centennial blue background) may be earned through significant service to the chapter. Anything on the order of serving as Elangomat, a day of service at a project of the chapter, organizing a service project for the chapter, serving as a chapter leader, serving on 3 or more election teams, performing on a ceremony team, going to Carolina Indian Summit, or any other service involving similar levels of commitment.

The Night Bird neckerchief (N-3) is earned the same way as the N-2 but the N-2 must be earned first, then the N-3 must be earned with additional service of the same significance. It is not required to have purchased the N-2, just to have earned it.

The N-4 neckerchief is \$10 and may be purchased by those who have attained Brotherhood. Multiples may be purchased (within reason).
