Welcome & introductions – Ben Freeman – Led the pledge and handed out JTE GOLD patches. Congratulations!!

Pledge of Allegiance – Ben Freeman

District Nominating Update - Brian Lehrscal – No update at this time – still recruiting district help.

Commissioner Service – Kevin Sloop – Still wrapping up re-charter, 1st district to have all charters turned in! Four units still with minor defect issues (mostly YPT) – We are about 6-8 unit commissioners short of “Ideal”. Ben suggested that we keep our eyes open for parents with Scouts who have aged out.

STEM/PWD – Jim Fuller – Had NOVA class scheduled but canceled due to weather – Pack 120 is ready for the event and we will be setting up in front of SEARS at Cary town center. Event begins at 8:30am.

Finance Report – Jerry Jester – Two more units this weekend, cubs down in enrollment numbers. Currently at \$36,700 or about 38% of goal.

M&M – Karen Goldstein – Cub day camp – August 10-14 – Westwood Baptist Church at 200 west high street in Cary – Tyler and I need to visit the site with town of Cary police to pursue locations for shooting sports, I will bring the impervious curtain which keeps arrows within a specific area – maybe this will assist in receiving that approval. ---- BALOO training – I have several Cub people who are planning on coming to the April 11th training – David Hooper and I have volunteered to assist Lu and Ed. ----- Working on Cuboree – will be promoting it at Roundtables – as of right now there are 164 reservations – Cubs and Adults.

Day Camp – David Hooper – Details above

Camporee – Matt Breneman – “We’re doing alright” already have 300+ registered today! We lost our Red Hat contact who was going to help out with a specific activity. Bob asked for an estimate on how many would be there? No guess made. Talked with the man at CREE, he needs a few volunteers to help. We have found one potential young adult to do candle making.

Roundtable – Chuck Gay – Hopefully we will have a roundtable – Several things were planned for last month (STEM counselor training, scout Sunday religious emblems talk) Good time for catch-up, this will be a “get in

front of the group” meeting. Ben asked about store managers talking at roundtable. Cabela’s has too much happening right now, Bass Pro was coming during the snow (cancelled), will be back.

District Camping – Scott Simerly – Redeemed himself by winning first place at the LDS campout with “momma dips spicy chicken”/spicy beans and cake. We have contacted all troops about summer camp plans (so that individual youth can tag along if needed. Neal Keeter will be contacting Tyler for camperships.

Training Report – Lu Little – Next weekend at Westwood Baptist training for Cub leaders and Scoutmaster specific/varsity and COR training. As well as 13 individuals for MB counselor training. April 11th Baloo at white plains UMC (8am registration 8:30 classes start)

Order of the Arrow – Bob Gamble – Last chapter meeting had youth presentation on patches, Hunter Edge (lodge patch committee) did a talk about patches with handout – we produced two patches and a centennial neckerchief for the chapter (100th anniversary of the OA) – Donna – elections are almost done, only a few units remaining and we have made every effort to schedule at all troops/crews.

Venturing – Ed Walsh – crew 316 now has coed participation!! And in planning stages for future events (triangle rock club)

Advancement Report – Gantt Edmiston – We have 17 Eagles as of the end of February and looking to add 12 more next week!? Sent out a reminder for help for this Wednesday. Kelden – MB counselor renewals? As of April 30, current MB counselors need to resubmit their applications in order to renew for 2015/2016. April 11th NCSU MB College will happen -

Chartered Organization Representative Comments – Ed Walsh, COR training credit – what course number should we be using? Answer = 72

District Chairman Report – Ben Freeman – Lots of focus on FOS, thank you for your help this first part of the year! If you think of technology wish list items please pass along. Also send council web site suggestions.

District Director minute – Tyler Perkinson – Crosswinds will be holding a Golf tournament fundraiser – details to come.
